Allowable Subject Matter

1. Claims 1-16 are allowed.
2. The following is an examiner's statement of reason for allowance:

Based on the decision of the Board of Patent Appeals and Interferences (BPAI), claims 1-16 are allowed. The above mentioned claims are allowable over the prior art of records which does not appear to teach or render obvious the claimed limitations in combination with the specific added limitations as recited in independent claims and subsequent dependent claims.

The prior art of records fail to teach or suggest individually or in combination that a computer system and method of maintaining a data communications protocol session, comprising the steps of: sending a request from a client to a server over a data communications network; receiving said request in said server; sending a response to said request from said server to said client over said data communications network; receiving said response in an agent; **determining if illusory content needs to be sent prior to sending said response**; performing processing in said agent as a result of said response; **if illusory content needs to be sent during said processing, sending one or more messages containing illusory content from said agent to said client**; sending said response to said client; **wherein said one or more messages containing said illusory content is sent for preventing a time out operation as a result of security processing**.
